Mountainside
SAUVIGNON BLANC

TASTING NOTES

This tantalizing Sauvignon Blanc leaps from the glass with zesty aromas of lemongrass, Key lime, hibiscus, and fresh mint. On the palate, the flavors are fresh, pure, and mouthcoating, with layers of grapefruit and citrus blossom supported by a sophisticated streak of crisp, acid-driven minerality that drives the wine to a long, bright finish.

2022 VINTAGE

The 2022 growing season began with generous winter rains, followed by a cool, dry spring. The weather throughout summer was ideal with no days above 100° F until a significant Labor Day heat event. With strong canopies, plenty of water for irrigation, and cool, coastal climates, our vineyards were able to mitigate the heat and produced grapes of exceptional quality and concentration.
